

7th WVPA ASIA MEETING

*"Uniting Science, Innovation
and Global Collaboration"*

**9-10
OCTOBER
—2026—**

Poultry Disease Management for a Safer & Healthier World

Join global veterinary leaders, researchers, and industry experts for two power-packed days of scientific excellence.

NASC COMPLEX, NEW DELHI
www.wvpaasiameeting2026.com

CONFERENCE OVERVIEW

A Premier Platform for Poultry Health Advancement in Asia

The 7th WVPA Asia Meeting 2026 will bring together leading poultry veterinarians, researchers, industry experts, policymakers and innovators from across Asia and around the world. Under the dedicated theme, the meeting will explore emerging disease challenges, advances in vaccine technologies(HPAI), antimicrobial stewardship, biosecurity innovations, advanced health solutions and sustainable poultry production systems. The conference serves as a unique platform for scientific exchange, international collaboration and shaping the future of poultry health and food security.

8 OCTOBER 2026 — PRE-CONFERENCE WORKSHOP

Pre-Conference Workshop (MSD Sponsored)

Interactive workshop covering poultry disease management innovation, biosecurity protocols and best practices from leading veterinary professionals.

Interactive Conference on HPAI Vaccine

Dedicated session on HPAI vaccine efficacy, application strategies, regulatory frameworks and emerging challenges in avian influenza management.

9-10 OCTOBER 2026 - MAIN CONFERENCE

- Opening Ceremony
- Keynote Addresses
- Scientific Sessions
- Expert Panel Discussions
- Poster Presentations
- Specialized Symposia
- Research Presentations
- Networking Sessions
- Valedictory Ceremony

WHY ATTEND WVPA ASIA 2026?

- *Learn from world-renowned experts.*
- *Network with poultry leaders from 25+ countries.*
- *Discover the latest advances in poultry production.*
- *Present research and gain international recognition.*
- *Connect with industry innovators and technology providers.*
- *Explore collaborative opportunities across Asia.*

KEY CONFERENCE TRACKS

HPAI Epidemiology & Control Strategies

Latest research on virus transmission, containment protocols, and outbreak management

Vaccine Development & Efficacy

Advances in vaccine technology, regulatory approval pathways, and field efficacy data

Biosecurity & Farm Management

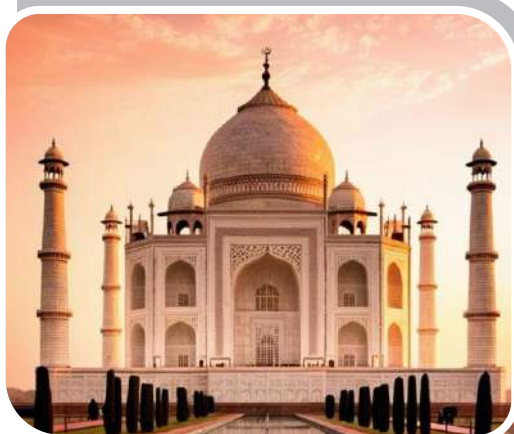

Practical protocols for disease prevention, worker safety, and operational excellence

Policy & Global Collaboration

International cooperation, regulatory frameworks, and cross-border disease surveillance

EXPERIENCE INDIA'S RICH HERITAGE

Extend your stay and explore iconic landmarks and vibrant culture

TAJ MAHAL, AGRA

QUTUB MINAR, DELHI

JAIPUR & UDAIPUR

RANTHAMBORE & WILDLIFE SANCTUARIES

INDIAN CULTURE & CUISINE

NATIONAL AGRICULTURAL SCIENCE COMPLEX (NASC)

 **LOCATION**

Dev Prakash Shastri Marg, Pusa, New Delhi 110012, India

 **CAPACITY**

1,200+ delegates with breakout rooms

 **TRANSPORTATION**

Metro Rail: Rajendra Place (Blue Line) 1.5 km away

 **AIRPORT**

Indira Gandhi Intl (IGI) - 16 km (35-45 min)

REGISTRATION AND PARTICIPATION

DELEGATE PACKAGE

Category		Registration fee	Registration Includes
Indian			• Conference access (both days) • Digital conference materials & abstracts • Refreshments & meals during conference • Certificate of participation • Networking sessions and events
Delegates	₹ 10000		
WVPA Members	₹ 7000		
Student	₹ 5000		
International			
Delegates	\$ 400		
WVPA Members	\$ 350		
Student	\$ 300		

BANK DETAILS

A/C Name : World Veterinary Poultry Association (India)
A/C Number : 003105033535
Bank Name : ICICI Bank
Address : Sec 18 Noida Branch
